Maddu Harshitha

Hyderabad | harshithamaddu2005@gmail.com

Education

Gokaraju Lailavathi Engineering College

Bachelor of Engineering (B.E.), Computer Science and Engineering

2nd Year (2023 - Present)

Skills

C, Python, HTML & CSS, Dialogflow (basic)

Projects

Mental Health Chatbot (using Dialogflow)

- Created a chatbot for mental health support using Google Dialogflow.

- Designed conversation flows to help users manage stress and emotions.

- Integrated with a web front end for basic interaction.

Portfolio Website

- Built a personal portfolio website using HTML and CSS.

- Showcases projects, skills, and contact information.

Online Movie Ticket Booking System (Python, Tkinter)

- Developed a GUI-based system using Tkinter to simulate movie ticket booking.

- Included features like movie selection, seat layout, and booking confirmation.

FLAMES Game (Python)

- Created a fun compatibility game using basic Python logic.

- Interactive input/output based on user names with result display.
